

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

FEDERAL TRADE COMMISSION,
Plaintiff,
v.
META PLATFORMS INC.,
Defendant.

Case No. 23-mc-80074-JST

**ORDER GRANTING IN PART AND
DENYING IN PART
ADMINISTRATIVE MOTION
SHORTEN TIME FOR HEARING ON
EBAY’S MOTION TO QUASH AND
META PLATFORM, INC.’S MOTION
TO TRANSFER**

Re: ECF No. 21

Now before the Court is Meta Platforms Inc.’s administrative motion to shorten the time for hearing and disposition of eBay Inc.’s motion to quash and Meta’s motion to transfer the motion to quash. ECF No. 21.

On March 30, 2023, the Court set a hearing on Meta’s motion to transfer on June 22, 2023. ECF No. 19. Meta requests that the hearing on the motions be reset for a date no later than April 27, 2023 because “[a] hearing on the Motions on June 22, 2023 would seriously prejudice Meta, as it is a month after the close of fact discovery in the underlying action in D.D.C.” ECF No. 21 at 3 (emphasis omitted). Meta also contends that eBay will not be prejudiced because it “has indicated that it takes no position on this relief, and has represented multiple times in meet-and-confers between the parties that eBay has a strong interest in resolving its involvement in the underlying action quickly.” *Id.* at 3-4.
